The flattering shades and expert formula allow wearers to celebrate their divine femininity whilst providing nails with extra strength, enhancing growth, and promoting overall nail health.

Use these gorgeous colours as high performance bases or long-lasting overlays that make weak and brittle nails a thing of the past.

## Base Coat

Our HEMA free enhanced formula rubber base coat is extremely flexible and adheres very well to the natural nail giving the nail extra strength and flexibility, eliminating lifting problems while giving extra strength to brittle or flaky nails. It's the perfect base for our beautiful, highly pigmented, HEMA FREE gel colours.
